Please note that this is just an example. Both parties to the supervision contract may add whatever additional language desired; however, the basic information below must be included.

AASECT Contract for Supervision of Sexuality Educator Supervision

Date _____

Supervisee _____

AASECT Certified Sexuality Educator Supervisor _____

This contract for the supervision of sexuality educator supervision will begin immediately upon approval by the AASECT Practitioner Supervisor Certification Committee and will serve to satisfy the contract requirements for AASECT Sexuality Educator Supervisor Certification. This contract will remain in effect until the supervisee has accrued thirty (30) hours of supervision of supervision. Both supervisor and supervisee will keep a record of the supervision, and it will be the responsibility of both the supervisor and supervisee that all documentation is complete for submission of the certification application. **Neither this contract, nor the completion of thirty (30) hours of supervision, guarantee that the supervisee will be certified.** Ultimately it is the judgment of the supervisor to determine an applicant's readiness to submit an application for AASECT Certification. The AASECT Practitioner Supervisor Certification Committee determines eligibility and approval of the supervisee's certification application.

The supervisor and the supervisee will outline a mutually agreeable plan for supervision to improve the supervisee's skills in the process of supervising sexuality educators to the standard required for AASECT Sexuality Educator Supervisor Certification.

The supervisee shall supervise educators working toward AASECT Certification. These educators will work to develop lessons, curriculum, workshops, and any other teaching practices for students or the public who are interested in learning about sexuality and sexual issues. Supervision will include: discussion of relevant theory and its application in the provision of supervision, discussion of the supervisee's management of the supervisee's educational practices, development of resources and relevant literature. The supervisor will also monitor adherence to the *AASECT Code of Ethics*.

The method of supervision will be either face-to-face, telephone, audio/videotaping or some other platform of video conferencing. It will take place at either the supervisor's or supervisee's professional education location or educational setting.

Both the supervisor and the supervisee will adhere to the *AASECT Code of Ethics*. Both will maintain ongoing AASECT membership, AASECT Sexuality Educator Certification and licensure in their respective professions **if needed**. Additionally, the supervisor will maintain AASECT Sexuality Educator Supervisor Certification.

The supervision contract may be terminated by either party with thirty (30) days notice for any reason.
